

Each year at the end of our regular hockey season we have the pleasure of hosting a game against the OPP Auxiliary. This is a fun way for us to finish our year as well as to let the public know more about us as an organization. We use this event to collect food and money for our local food bank.

Participate in Sports

South Coast Special Needs Kids Inc. is a non-profit organization that provides a recreation sports program for special needs children in Haldimand, Brant, Norfolk and surrounding areas.

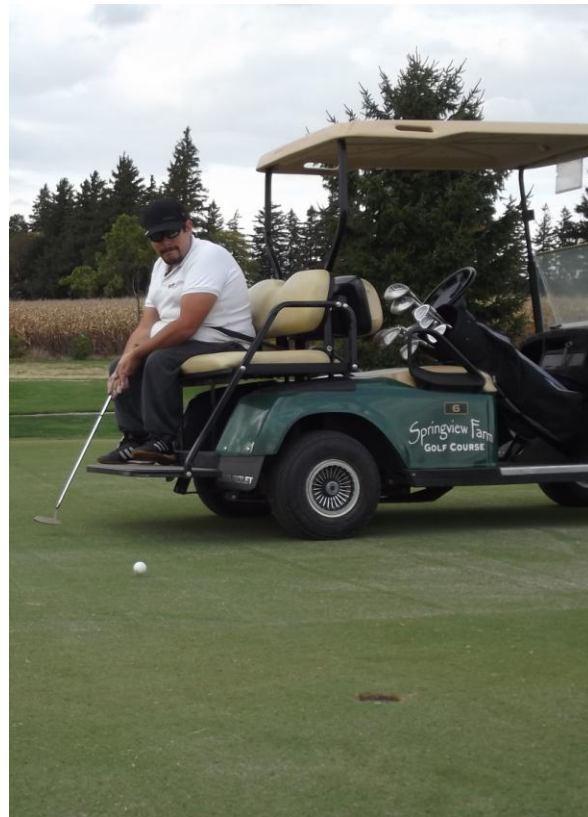

South Coast Special Needs Kids Inc. strives to include all Special Needs Individuals in our sports. Age and ability are never a deterrent for having fun at a sport. We aim to include everyone in our many year round activities. Our sports include Baseball, Sledge Hockey, Golf, Basketball and Bowling.

All operating costs of our programs are covered by donations, nominal registration fees and the proceeds from our annual **Ladies "Rent-A-Caddie" For Special Needs Kids Charity Golf Classic** held each June at Springview Farm Golf Course in Waterford, ON.

Everyone in the organization is a volunteer and all contribute many hours of their time. to make the organization successful.

All of our sports offered are adapted as required to suit the specific needs of the individual. Special equipment that is available include hockey sledges, lower basketball nets, ramps for bowling and a custom golf cart that allows the golfer to play from a sitting position on the cart.
